

IEEE Automatic Speech Recognition and Understanding Workshop 14-18 December 2019, Sentosa, Singapore

General Chair

Haizhou Li

General Co-Chair

Eric Fosler-Lussier

Technical Program Chairs

Karen Livescu, Bin Ma,
Tara Sainath, Murat Saraclar,
Hsin-min Wang, Junichi Yamagishi

Panel and Invited Speaker Chairs

Satoshi Nakamura, Lei Xie

Challenge and Demo Chairs

Kong Aik Lee, Emre Yilmaz

Finance Chair

Lei Wang

Publication Chair

Rohan Kumar Das

Satellite Workshop Chair

Sakriani Sakti

Publicity Chairs

Chiori Hori, Maulik Madhavi,
Karthika Vijayan

SLTC Liaison

Shinji Watanabe

International Liaison

Lori Lamel, Helen Meng,
Isabel Trancoso

Sponsorship Chairs

Yang Liu, Lei Wang, Lei Xie

Local Arrangement Co-Chairs

Nancy Chen, Eng Siong Chng,
Minghui Dong, Chitralekha Gupta,
Wei Rao, Bidisha Sharma,
Berrak Sisman, Xiaohai Tian,
Rong Tong, Yan Wu, Kun Zhou

Call for Participation

The 2019 IEEE Automatic Speech Recognition and Understanding Workshop (ASRU 2019) will be held on 14-18 December 2019 at Sentosa, Singapore. Come enjoy the tropical island right before the winter holiday season! Don't miss out on the early bird registration deadline (5 October 2019): <http://www.cvent.com/d/wyqwc3>

The ASRU Workshop is a flagship event of IEEE Speech and Language Processing Technical Committee. The workshop is held every two years and has a tradition of bringing together researchers from academia and industry in an intimate and collegial setting to discuss problems of common interest in automatic speech recognition and understanding.

This year, we have an exciting line-up for the technical program. A total of 299 paper submissions were received and were 144 are accepted to be presented at the main conference. There are 5 keynote speeches and 5 invited talks ranging from characterizing charisma to the kinship between speech and music, and auditory scene analysis. In addition we are organizing a workshop on Life-Long Learning for Spoken Language Systems <https://sites.google.com/view/life-long-learning-asru19/home> (can be registered on top of ASRU 2019). In addition, NIST Speaker Recognition Evaluation 2019 is co-located with ASRU 2019: <https://www.nist.gov/itl/iad/mig/nist-2019-speaker-recognition-evaluation> (separate registration from ASRU).

Last but not least, a Young Female Researchers Mentoring (YFRM) special session will be organized at ASRU for the first time. Please register your participation at <http://www.cvent.com/d/wyqwc3>. Travel grants are available for selected YFRM participants.
